"We had hired Plaza caterers for our reception function and had a great experience with them. The food served was yummy and the staff were very active to ensure a pleasant buffet experience. They ensure that everyone is attended and served food with love. The Salads and Variety Teas was like icing on cake and everyone enjoyed them. I highly recommend Plaza caterers for their taste of food and politeness of their owner Mr Irish & Son."

"Just attended my cousin-in-laws Mehendi and Plaza Catering provided the food. It was excellent. I loved the bun parotta and the mutton curry. I hope my other family members use their catering for future events. Their food is delicious."
